Company Profile

[Sunny global logistics \(Shenzhen\) limited](#) - Created in 1998, an international forwarder in China. Sunny Worldwide Logistics Sunny Worldwide Sunny Worldwide, providing a coherent and high quality service worldwide for any type of freight.

Our company is a large professional logistics company, we provide maritime, land, air, customs clearance, inspection and trailer, CO, F/A, fumigation, insurance and other related elements in one service. The spirit of service of our company is focused on professionalism and high efficiency.

Our services

The consolidated freight containers from China are gathered in various warehouses across the country, then transported from the Yiwu warehouse to the port or to the airport. The cargo is then shipped to the country of destination and delivered either to the Amazon warehouse or to our Vancouver warehouse.

You have the possibility of sending the goods to the Yiwu warehouse for consolidation or placing an order for an shipment directly from the factory. The couriers will quickly arrive at the time indicated to recover the necessary goods.

Shipping China products to Canada can be a complex process. However, with meticulous planning and coordination, it is quite possible to import goods quickly and effectively.

Understanding the different shipping methods, customs clearance requirements and delivery times will guarantee that your products will arrive in time and in excellent condition.
