OUR services

Consolidated cargo containers from China are gathered from various warehouses across the country and then transported from the warehouse in Yiwu to the port or airport. The cargo is subsequently shipped to the destination country and delivered to either the Amazon warehouse or our warehouse in Vancouver.

You have the option to send the goods to the warehouse in Yiwu for consolidation or place an order for a shipment directly from the factory. Couriers will promptly arrive at the specified time to pick up the necessary goods.

Shipping products from China to Canada can be a complex process. However,

with careful planning and coordination, it is entirely possible to import goods quickly and efficiently.

Understanding the various shipping methods, customs clearance requirements, and delivery times will guarantee that your products arrive on time and in excellent condition.
