Part I: Geographic Location and Trade Ties with China

Content	Details
Geographic Location	The UAE is strategically located in the heart of the Arabian Peninsula, bordering Saudi Arabia to the south and west, Oman to the east, and sharing the Persian Gulf with Iran and Qatar to the north.
Trade Advantage	The UAE's proximity to vital shipping lanes and well-developed infrastructure have facilitated robust trade relations with countries around the world, including China.
Major Ports	Dubai Port and Jebel Ali Port are among the busiest in the world, handling a significant portion of global container traffic.
Trade Ties with China	The UAE has become a key partner for Chinese goods, particularly in electronics, textiles, and construction sectors, with bilateral trade volumes consistently growing.
Trade Agreements	The two countries have signed numerous trade agreements and memoranda of understanding, further cementing their economic partnership.
Dubai's Trade Status	Dubai's markets, such as the Gold Souk and Deira, are filled with Chinese products ranging from electronics to clothing.
Free Trade Zone	Dubai's status as a free trade zone has attracted numerous Chinese investors and entrepreneurs, fostering a vibrant business environment.
Services & Investments	Many Chinese companies have established regional headquarters in the UAE to expand their operations across the Middle East and Africa.

Part II: Transporting E-cigarettes to the UAE

Content	Details

About Us

[Sunny Worldwide Logistics \(Shenzhen\) Limited](#) was established in 1998, it is a full-service domestic and international freight forwarder based in China. Our company prioritizes providing reliable customer service and transportation solutions. We have Class A facilities spanning 1,800 square meters and a trucking company located in Yantian Port. Our services cover both ocean freight and air freight, and we have established partnerships with all the major carriers in the industry.

Why Choose Sunny?

- Competitive ocean freight and stable space.
- Taking Care of the Cargo More than The Owner.
- The destination charge is lower than the market price for LCL.
- We charge a reasonable local fee to shippers under the FOB term, in order to avoid complaints from them.
- Free warehouse service.
- Receive loading pictures anytime you need.
- Container loading supervision service in any city in China.
- Vast experience in out of gauge (OOG) goods shipping.
- Door to door service.

Customer Feedback

Peru Client

Thank you so much for doing such a wonderful job with our shipments-communicating with

suppliers, updating the spreadsheet on time, gathering all the required information carefully.

Mexico Client

We received your package with the masks and sweet cards. Thank you so much. We will share with our staff and family to help us take care.

Maldives Client

We received our cargo just fine. I thank you so much for your help and great service.

FAQ: [KNOW MORE+](#)

Q: What services does your company provide in international logistics?

A: Our company offers a comprehensive range of international logistics services, including air freight, ocean freight, land-transportation, warehouse services and multimodal transportation. We cater to various shipping needs and ensure efficient and reliable delivery worldwide.

Q: What are the details of your warehousing services?

A: Our warehousing services encompass storage, inventory management, order fulfillment, and value added services. We have state of the art facilities equipped with advanced technology to ensure the security and efficiency of your goods.

Q: How are the logistics costs calculated? Are there any hidden fees?

A: Our pricing structure is transparent and based on factors such as weight, volume, destination, and mode of transport. We do not charge any hidden fees, and all costs will be clearly outlined in our quotes.

Q: How long does it typically take for transportation?

A: The transit time varies depending on the mode of transport and destination. We provide estimated times of arrival based on the specific route and service selected.

Q: How can I track the status of my shipment?

A: You can easily track your shipment through our online tracking system, which provides real time updates on the location and status of your goods.

Q: What items are prohibited or restricted for transportation?

A: We adhere to international regulations and guidelines regarding prohibited and restricted items. Please consult with us for specific information related to your shipment.

1.How much is the Shipping Cost from China to USA?

No matter whether you are choosing sea or air freight, there are some factors that will affect shipment costs, such as;

- Goods Type
- Overall Size & Weight of Shipment
- Shipping Route Distance (the shorter, the cheaper)
- Peak Seasons (More Orders cause a rise in Shipping prices)
- Others like Custom Checkings, delays, natural disasters, etc.

Below, we will discuss how much you will get charged in shipping through various methods, such as;

- a) *Sea Freight Cost*
- b) *Air Freight Cost*
- c) *Express Courier Cost*

• **a) Sea Freight Cost**

It is important to note that in sea freight, people always ship big goods, so the cost of shipment is usually based on volume or CBM (cubic meter) value, in the case of LCL.

In the case of FCL, you are not charged based on CBM because you are paying for the full container, and you can use all the space (CBM) inside it or leave it empty.

Check below the LCL sea freight dated 24-March-2024 from China to the USA for your information, pls also note that you need to take the documents fee and destination port fees into consideration too.

• **Sea freight rates from China to USA:**

Port of Origin	Port of Destination	LCL (USD/CBM)	20'GP O/F(USD)	40'GP O/F(USD)	Transit Time

Shenzhen/Shanghai/Ningbo	Long beach	28-45	1500-2300	2500-3500	14-16 Days
	New York	25-60	2800-7200	3000-4800	29-35 Days
	Miami	40-65	3980-5500	5800-6500	29-35 Days
	Chicago	40-65	3300-5800	5000-7000	20-25 Days

b) Air Freight Cost

In the case of Air freight, the parcels are usually small, in which case, the cost is based on weight (kg). However, if your air parcels are light weighted, then volume weight also used as **chargeable weight** on Air shipping. You can see the chart below dated 24-March-2024 to get an idea about costs;

Air freight from China to USA per KG:

Port of Origin	Port of Destination	Weight	Price Range (USD)	Weight	Price (USD)	Weight	Price (USD)
Shenzhen/Guangzhou/Shanghai/	LAX	≥100kgs	6.75-8.50	≥300kgs	5.60-6.70	≥500kgs	5.70-6.90
	JFK	≥100kgs	6.50-7.60	≥300kgs	6.40-7.60	≥500kgs	6.10-7.20
	ORO	≥100kgs	6.85-7.80	≥300kgs	6.55-7.69	≥500kgs	6.35-7.40
	DFW	≥100kgs	6.90-7.60	≥300kgs	6.60-7.50	≥500kgs	6.30-7.20

c) Express Courier Cost

In express shipping, courier companies pick up your parcel from your house, or you have to deliver it to their nearby office, and they will deliver the parcel all the way to the receiver house within 1-week all over the world.

Express couriers have the most expensive service among all kinds of shipment methods, Check below the Express freight dated 24-March-2024 from China to the USA for your information

Express freight per KG from China to USA Door to Door:

Carrier	Weight	Price (USD)	Weight	Price (USD)	Weight	Price (USD)
FedEx	≥21kgs	8.2-9.3	≥69kgs	7.7-8.4	≥100kgs	6.7-7.6
UPS	≥21kgs	8.4-9.5	≥69kgs	7.7-8.8	≥100kgs	7.4-8.2
DHL	≥21kgs	8.9-9.6	≥69kgs	8.0-8.9	≥100kgs	7.8-8.5

2.What is the Cheapest Shipping from China to USA?

The cheapest shipping option from China to the USA depends on the shipment charge weight. For shipments below 100 kg, the Express option is typically the most affordable, with an estimated cost of around US\$8 per kilogram for door-to-door delivery. For shipment charge weights between 100-300 kg, standard air freight is the most economical choice, costing around US\$6 per kilogram. Sea freight is the most cost-effective option for total weights and volumes above 300 kg and 2 CBM, estimated at around US\$50 per cubic meter. In summary, it's best to work with a reliable freight forwarder like SWWLS air-shipment to handle your shipment, as they are familiar with all the shipping options, regulations, and shipping routes from China to the USA and can secure better shipping discounts.
