

Cheap Air Cargo Shipping Freight Forwarder Warehouse Service Shenzhen International Air and SWWLS WAREHOUSING SERVICES

Storage Solutions

SWWLS's warehouses are equipped to handle a wide range of products, from small items to large equipment. The company provides flexible storage solutions to meet the specific needs of each client.

Inventory Management

SWWLS offers advanced inventory management systems to monitor stock levels, provide real-time updates, and manage orders efficiently. Clients can access these systems remotely to have complete visibility on their inventory.

Value-Added Services

The company also offers value-added services such as packaging, repackaging, kitting, labeling, and quality control checks, ensuring that each item is handled with the care it deserves. Sea Transport To USA.

Free Warehousing in China

If you choose to partner with Sunny, we will provide warehousing space and services for free for up to 28 days. You will not have to worry about arranging for your products to be delivered to a shipping port simultaneously. This will give you flexibility and a stress-free experience.

Consolidation Service

Cargo consolidation is when staff combines cargo from multiple shippers into one shipment. This means that shippers pay bulk rates because they're shipping all cargo at the same time. Sunny China warehouses can do that to lower shipping costs for your business. Enforcing is similar to repackaging. We will make sure to pack fragile goods extra carefully, so they reach their destination undamaged.

Custom Labelling Service

Customized labelling is another prep service Sunny warehouses offer. Be that special safety labels or your business logo, we can stick a custom label onto your order.

Sorting Service

Using an advanced Warehouse Management System (WMS), Sunny China warehouses can look after your goods efficiently. We can also report to you the stock availability and specifications. Sorting ensures efficient warehouse storage and will help with any repackaging and assembly.

Assembly Service

Sunny China warehouse staff can do kitting and assembly of your goods for further processing and shipment.

Container-loading Supervision Service:

Quantity check
Packing list checks
Container conditions
Product packaging
Process of loading
Cartons' conditions
Filling-up level, etc.

Customer Feedback

Peru Client

Thank you so much for doing such a wonderful job with our shipments-communicating with suppliers, updating the spreadsheet on time, gathering all the required information carefully.

Mexico Client

We received your package with the masks and sweet cards. Thank you so much. We will share with our staff and family to help us take care.

Maldives Client

We received our cargo just fine. I thank you so much for your help and great service.

FAQ:

Q: What services does your company provide in international logistics?

A: Our company offers a comprehensive range of international logistics services, including air freight, ocean freight, land-transportation, warehouse services and multimodal transportation. We cater to various shipping needs and ensure efficient and reliable delivery worldwide.

Q: What are the details of your warehousing services?

A: Our warehousing services encompass storage, inventory management, order fulfillment, and value added services. We have state of the art facilities equipped with advanced technology to ensure the security and efficiency of your goods.

Q: How are the logistics costs calculated? Are there any hidden fees?

A: Our pricing structure is transparent and based on factors such as weight, volume, destination, and mode of transport. We do not charge any hidden fees, and all costs will be clearly outlined in our quotes.

Q: How long does it typically take for transportation?

A: The transit time varies depending on the mode of transport and destination. We provide estimated times of arrival based on the specific route and service selected.

Q: How can I track the status of my shipment?

A: You can easily track your shipment through our online tracking system, which provides real time updates on the location and status of your goods.

Q: What items are prohibited or restricted for transportation?

A: We adhere to international regulations and guidelines regarding prohibited and restricted items. Please consult with us for specific information related to your shipment.

Any other questions pls feel free to contact us at any time! We will reply as soon as possible!
