Below are the FAQs for Air Freight from China.

Q:[What is Minimum charge weight for air freight shipping?](#)

A:The Minimum charge weight is 45KG for air freight shipping, and air rates are based on volume or gross weight, whichever is greater. In order to calculate the volume of a shipment, the dimensions of each piece are required.

Q:How can I track my air freight package?

A:To track your air shipment online, simply visit your specific carrier’s website, enter the necessary information to locate your order, and get an up-to-date tracking history.

Q:Do I need to buy insurance for my air freight?

A:In the event of an unexpected problem, it’s important to have transport insurance on your items. SUNNY WORLDWIDE LOGISTICS is happy to offer transport insurance with rate 0.3% that will sufficiently protect your items in the unlikely event of damage, loss, or theft.

Q:What documents are required for air freight from China?

A:Packing lists, Commercial invoices, Airway Bill, Certificates of origin are all used for customs clearance at the port of destination.

FAQ: [KNOW MORE+](#)

Q: What services does your company provide in international logistics?

A: Our company offers a comprehensive range of international logistics services, including air freight, ocean freight, land-transportation, warehouse services and multimodal transportation. We cater to various shipping needs and ensure efficient and reliable delivery worldwide.

Q: What are the details of your warehousing services?

A: Our warehousing services encompass storage, inventory management, order fulfillment, and value added services. We have state of the art facilities equipped with advanced technology to ensure the security and efficiency of your goods.

Q: How are the logistics costs calculated? Are there any hidden fees?

A: Our pricing structure is transparent and based on factors such as weight, volume, destination, and mode of transport. We do not charge any hidden fees, and all costs will be clearly outlined in our quotes.

Q: How long does it typically take for transportation?

A: The transit time varies depending on the mode of transport and destination. We provide estimated times of arrival based on the specific route and service selected.

Q: How can I track the status of my shipment?

A: You can easily track your shipment through our online tracking system, which provides real time updates on the location and status of your goods.

Q: What items are prohibited or restricted for transportation?

A: We adhere to international regulations and guidelines regarding prohibited and restricted items. Please consult with us for specific information related to your shipment.
