I was happy with this transport company before choosing this company. I had chosen another but they could not even do their job making me lose almost 3 weeks for the transport of my goods. when I tried this transport company I was 100% satisfied with professional, great price. they know what they say and the exact times for when the goods arrive. also for the first time I received 12 packages from China without even a scratch. being that I often buy in China it happens sometimes that some packages arrive malformed or damaged. Instead, with this company everything was perfect, both from the immediate and quick removals in the forwarding of my packages. surely the next order I will do with them. I highly recommend this transport company. they're the best.
