FCL Sea Freight Shipping from China to Australia

FCL means that all the goods in a container belong to you, if the volume of goods is over 20CBM; it is better to use FCL. It will cut the shipping cost compared to LCL. Besides the good [ocean freight](#), Sunny Worldwide Logistics also can provide the best loading container solution.

- Competitive ocean freight from China to Australia and anywhere you want.
- Guidance in using a 20 foot or 40 foot, based on the size and gross weight of your package.
- Guidance on how to load the goods in the container effectively to save space and money.
- Container loading supervision service.
- Guidance on how to reinforce the goods in the container.
- Provide door to door, door to port, port to port, and port to door service.
- We charge a reasonable local fee to shippers under the FOB term, in order to avoid complaints from them.
- Free warehouse service if you have several suppliers in China.

LCL Sea Freight Shipping from China to Australia

If there is not enough goods to fill a whole 20 foot, we suggest shipping less than a container's capacity. Just pay attention to the following. Make sure your packaging keeps the shipping goods safe because you will be sharing container space with other shippers, and confirm the destination charge for LCL shipping before shipping the goods.

- Provide competitive ocean freight rates from China to **Australia**.
- The destination charge is lower than the market price.
- We charge a reasonable local fee to shippers under the FOB term, in order to avoid complaints from them.
- Free warehouse service.
- Receive loading pictures anytime you need.
- Choose direct service from port to port to keep the goods safe.

BULK - Cargo Ship Sea Freight Shipping from China to Australia

For some large size and overweight shipments, it is recommended to ship by bulk-cargo ship. We have plenty of experience in this type of service and we guarantee to bring the goods safely from China to **Australia**.

- The best solution based on the shipping goods information.
- Competitive freight by bulk-cargo ship.
- Vast experience operating ground service at the bulk-cargo loading port.
